CLUB NOTES

LENGTHENING WAIT FOR AWAY WIN

In our last issue we were proudly able to claim the best home record in the League and can still do so through Crystal Palace being added to the visiting teams vanquished at Deepdale. This performance set up a club record in that North End had never before started a season by winning their first eight League home matches.

Actually the run is 10 through the team having won the two concluding home games of last season (Carlisle 2-1 and Cardiff 9-0), and we hope it is not disturbed by the natural desire of our visitors to-day to avenge that overwhelming defeat: it was the biggest win by Preston during the present century.

The following records of our performances at home this season and last season are interesting in that they tell a story without words —

	P.	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*
1966-67 ...	8	8	0	0	20	7	16
1965-66 ...	21	7	10	4	37	23	18

If only something reasonably comparable was happening away from home our promotion chances would look decidedly bright. Unfortunately the value of our 1-0 home win v. Crystal Palace was cancelled out by a 0-1 defeat at Huddersfield last Saturday, as a result of which our away record continued to be one of the worst in the League.

CLUB NOTES—*continued*

We have only one point to our credit from eight matches and have scored only four goals to 18, this being a regrettable continuation of our seldom rewarded away form since winning at Bolton last March. There was, however, something to be said for the team's display at Huddersfield where the Town had lost only one of the previous seven games and won five, scoring 13 goals to five.

North End fought hard against that resolute defence and came away feeling a keen sense of injustice over the deciding goal, which we claimed was scored through the goalkeeper being fouled as he was about to intercept. We feel that if the team's spirit is maintained success in away matches cannot be much longer deferred.

Congratulations to the Reserve on two good wins, one of them away from home, after a discouraging period of non-success.

NO BANNERS OR FLAGS AT DEEPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the ground, at either first or second team games.

Following incidents at North End's recent game with Blackburn Rovers it was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.

OUR VISITORS—*Cardiff City*

Greetings and a hearty welcome to Cardiff City, who are going through anxious times and have the sympathy of all who know what it is to struggle. Last season they only just escaped relegation, having gained safety at the expense of Middlesbrough a few days before their visit to Deepdale for the final match which they lost 0-9.

The present season has brought a continuation of their troubles. Cardiff are at the bottom of Division II, along with relegated Northampton, and have the worst defensive record (43 goals conceded in 14 games), this after having the most scored against them last season in this Division — 91. Their relief over a goalless draw at home in the last match, before only 6,000 spectators can be well understood.

Cardiff certainly have had their ups and downs, having been in three Divisions since the war, including two spells in the First Division.

Founded in 1889 as "Riverside," Cardiff became a professional club with their present name in 1910 and earnestly undertook a pioneer role. They were members of the Southern League 1913-15, 1919-20, when elected to the Football League Division Two.

North End first played Cardiff City in February, 1922 at Ninian Park in Division One, losing 0-3. Our biggest win until last season was on December 13th, 1930, in Division Two, George Bargh, now coach at Deepdale contributing three goals, Bill Tremelling two, and Jimmy McClelland two to a 7-0 win.

Admission to the Pavilion Paddock will be through Stiles 52, 53, 54, 55 and 56 at the South East corner of the Ground. Any inconvenience to Supporters is regretted, but these Stiles will be re-opened at the earliest possible moment.

We have complaints from Holders of West Stand Reserved Seat Season Tickets regarding delay in getting on to the Stand on 1st Team Match days. We have some 1,200 admissions through three Stiles at 1st Team Games, the majority arriving close on kick-off time, which makes it difficult for all to be admitted in time for kick-off. It would be of benefit to all West Stand Ticket Holders if Supporters would make a special effort to arrive a little earlier, thereby minimising the congestion at kick-off time.

SPECTATORS ON PLAYING PITCH

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators came on to the pitch during the course of the Central League game with Blackburn Rovers. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
